

FERNDALE AREA SCHOOL DISTRICT  
TAXPAYERS BILL OF RIGHTS DISCLOSURE STATEMENT

Every taxpayer is obligated to pay all taxes levied by the School District to which the taxpayer is subject. When taxes are not paid or a school district has questions about whether a taxpayer has fulfilled all tax obligations, the School district has legal rights to request information and to enforce taxpayer obligations. In conjunction with taxpayer obligations and School District rights, the Commonwealth of Pennsylvania has enacted a Local Taxpayers Bill of Rights which grants legal rights to taxpayers, and creates obligations for school districts. This document is the School District Disclosure Statement required by the Bill of Rights. This document is merely a summary of your rights. For a complete statement of your rights and the obligations of the School District, see 53 Pa. C.S.A. §8421 through 8438.

APPLICABILITY / ELIGIBLE TAXES

This Disclosure Statement applies to eligible taxes (not otherwise excluded) levied by the School District. This Disclosure Statement does not apply to real estate taxes. The specific eligible taxes (not otherwise excluded) levied by the School District are: (1) the realty transfer tax, (2) per capita taxes, and (3) earned income tax. Unless expressly provided in the Local Taxpayer Bill of Rights, the failure of any School District representative to comply with any provision of this Disclosure Statement, related regulations or the Local Taxpayers Bill of Rights will not excuse the taxpayer from paying the taxes owed. (The earned income tax, net profits tax, and per capita tax, are collected by the Ferndale Area Tax Collectors.)

TAXPAYER RIGHTS AND SCHOOL DISTRICT OBLIGATIONS  
WHEN THE SCHOOL DISTRICT REQUESTS INFORMATION  
OR AUDITS TAXPAYER RECORDS

Minimum Time Period For Taxpayer Response

- The taxpayer has thirty (30) calendar days from the mailing date to respond to the School District requests for tax information.
- Upon written request, the School District will grant responsible time extensions for good cause.
- The School District will notify the taxpayer of the procedures to obtain an extension in its initial request for tax information.

## Requests For Prior Year Returns

- An initial School District may cover only taxes required to be paid or tax returns required to be filed no more than three (3) years prior to the mailing date of the request.
- The School District may make a subsequent request relating to other taxes or returns if, after the initial request, the School District determines that the taxpayer failed to file a tax return, underreported income, or failed to pay a tax for one or more of the tax periods covered by the initial request.
- The above limitations do not apply if the School District has sufficient information to indicate that the taxpayer failed to file a required return or pay an eligible tax which was due more than three (3) years prior to the date of the notice.

## Use Of Federal Tax Information

- The School District may require a taxpayer to provide copies of federal tax returns if the School District can show that the information is reasonably necessary for enforcement or collection of a tax and the information is not available from the Pennsylvania Department of Revenue or other available sources.

## TAX OVERPAYMENT REFUNDS

A taxpayer may file a written request with the School District for a refund or credit. The filing of a written request will not preclude a taxpayer from later filing a tax appeal petition as discussed below. The request must be made within three (3) years of the due date for filing the return or one (1) year after payment of the tax, whichever is later. If no return is required, the request must be made within three (3) years after the payment due date, or within one (1) year after payment, whichever is later. A tax return filed by the taxpayer showing a tax overpayment will be considered a written request for a cash refund unless the return indicates otherwise. If the taxpayer pays a tax as a result of receiving a notice of underpayment, the taxpayer must file a written request for a refund within one (1) year of the payment date. Subject to certain exceptions, the School District will pay interest, at a rate determined pursuant to state law, from the date of overpayment until the date of resolution.

## TAX ASSESSMENT / UNDERPAYMENT / REQUIRED NOTICE

The School District must notify the taxpayer in writing of the basis for any underpayment determined by School District.
