FERNDALE AREA SCHOOL DISTRICT

707. USE OF SCHOOL FACILITIES

In the event of a request to use school facilities by a Community Group or other Public School District, the applicant shall, on the application, certify to the Ferndale Area School District that all leaders (e.g., coaches, officials, group leaders, instructors, supervisors, etc.) not employed by district that will participate in the activity utilizing district facilities have an active Act 34 clearance, Act 151 clearance, and if applicable, FBI clearance; that no leader participating in the activity utilizing facilities of the district has a prior conviction involving inappropriate activities regarding individuals under the age of 18; and that no leader will be permitted to participate in the activity utilizing the facilities of the district that does not have the required clearances referred to above indicating, in each case, that said leader has no prior conviction involving inappropriate activities regarding individuals under the age of 18.

Should the applicant fail or refuse to so do, or should the district official making the decision to approve or disapprove the application for the use of school facilities have independent actual knowledge that the certification is incorrect, the district official making the decision shall deny the request for the use of district facilities.

Should a Community Group or other Public School District that was approved for the use of district facilities be determined to have made a false certification or that it permitted a leader to participate in the activity utilizing the facilities of the district that did not have the required clearances referred to above indicating, in each case, that said leader had no prior conviction involving inappropriate activities regarding individuals under the age of 18, said information shall be brought to the attention of the Board at the next meeting of the Board, and the Board shall determine whether, based upon said actions, said Community Group or other Public School District shall, as the result of said actions, be precluded from utilizing district facilities in the future.
